Curriculum Vitae

Education B.Arch (Kansas City U); (Pennsylvania State U, Rome Italy)

Nationality and birth USA

Christian Arnold is a founding principal of Clockwork Architecture + Design. His corporate office experience ranges from established Fortune 500 clients to entrepreneurial startups. Mr. Arnold 's entrepreneurial spirit and calm leader-ship allows him to effectively assemble and guide teams of experts that add measureable value to each project. His diverse background including industrial design, fabrication, construction and real estate development allows him to see solutions where others see challenges.
